Jl Pengadegan Utara no 20D Pancoran, , South Jakarta

I am Tasya Khaerani Janubiya, a graduate of Information Systems from Universitas Nasional with over two years of experience in web development. I specialize in React JS, Vue JS, Nuxt JS, and full-stack development with Express.js, Node.js, and MySQL. I've successfully launched several websites praised for their efficiency and user-friendly design. I am eager to contribute as a Front End Developer or Full Stack, with a focus on UI/UX and Agile methodologies.

## Work Experiences

### PT Penerbit Erlangga Group - Ciracas, East Jakarta

Aug 2022 - Present

#### Front End Developer

PT Penerbit Erlangga is a leading publishing company in Indonesia, specializing in educational books and learning materials for students and professionals. Since its establishment, the company has been committed to supporting education through high-quality publications that meet the evolving needs of Indonesia's academic landscape.

- Building modern websites using Vue JS and React JS.
- Translating UI/UX designs into interactive and responsive web interfaces.
- Collaborating with backend developers to seamlessly integrate APIs into the website.
- Performing regular maintenance to prevent bugs and ensure optimal performance.
- Updating features based on user needs and feedback.
- Conducting user experience-based testing to ensure quality and satisfaction.

### PT.Sociolla Bella Indonesia - Grand Indonesia, Central Jakarta

Aug 2021 - Aug 2022

#### Team Leader

Sociolla is Indonesia's trusted and most complete online shopping destination offering authentic beauty products e.g. make up, skin care, hair care, fragrance and beauty tools serving women across Indonesia.

- As a Team Leader, I developed and implemented strategic timelines to meet targets while empowering team members by enhancing their confidence, product knowledge, and communication skills. I played a key role in the company's growth by managing a successful team and fostering an inspiring, positive work environment that promotes collaboration and productivity.

### PT.Smart Computer Indo - Green Lake, Tangerang

Jan 2021 - Jul 2021

#### Admin Purchasing

- Monitored stock levels, analyzed purchase requests, and managed the company's purchase orders. Successfully established long-term positive relationships with vendors and service providers. Collaborated with the purchasing manager to ensure structured vendor incentives.

### PT. Midi Utama Indonesia Tbk - Tebet Raya, South Jakarta

Sep 2019 - Sep 2020

#### Cashier

- Demonstrated excellent communication skills by engaging with customers in a friendly and professional manner. Accurately managed administrative tasks and handled money transactions with integrity. Known for welcoming customers properly and delivering creative, high-quality customer service.

## Education Level

### Universitas Nasional - Pejaten, South Jakarta

Aug 2018 - Feb 2022

#### Bachelor Degree in Information Systems, 3.61/4.00

- Graduating with honors and a GPA of 3.61 reflects my dedication to data analysis and informed decision-making. I excel in leveraging technology to streamline report generation and manage data efficiently. My logical thinking allows me to quickly formulate objective solutions, supported by strong communication skills to clearly and effectively convey ideas and concepts.
